## **REVIEW OF ON-STREET PARKING CHARGES**

#### **Responsible Cabinet Member - Councillor David Lyonette, Transport Portfolio**

#### **Responsible Director - Paul Wildsmith, Director of Corporate Services**

#### **SUMMARY REPORT**

#### **Purpose of the Report**

1. To review the Council's on-street parking charges.

#### Summary

2. The report considers a proposal to increase short stay on-street parking charges from 40 pence per half hour and 80 pence per hour to 50 pence per half hour and £1 per hour.

#### Recommendation

3. It is recommended that on-street car parking charges be increased from 40 pence per half hour and 80 pence per hour to 50 pence per half hour and £1 per hour.

#### Reasons

4. The recommendation is supported to achieve consistency between off-street and on-street parking charges.

# MAIN REPORT

## **Information and Analysis**

- 5. On-street car parking was introduced into Darlington in November 2004. There are 27 designated on-street parking areas, as listed in the attached Appendix 1. Payment for use of the bays is on a pay and display basis using a meter.
- 6. When on-street parking was introduced charges were, and still are 40 pence per half hour and 80 pence per hour, with a two hour maximum stay. (There is one exception the market area which is 50 pence for a maximum 30 minute stay).
- 7. In February 2009 Council reviewed parking charges as part of its consideration of the Medium Term Financial Plan. As a result charges in off-street short stay car parks were increased from 80 pence to £1 per hour.
- 8. It was the intention of the officers drafting the report that the increase applied to both offstreet (car parks) and on-street and it was an oversight that the report presented to Members did not refer to on-street parking.
- 9. In the several months since off-street short stay charges were increased to £1 per hour there has been no resistance to the charges as demonstrated by complaints. However, there has been an amount of confusion, particularly where on-street and off-street parking areas are in close proximity, with users paying incorrect charges.
- 10. It is therefore proposed that on-street parking charges be increased in line with the increases already applied to off-street car parks to 50 pence per half hour and £1 per hour.

## **Outcome of Consultation**

11. No specific consultation has been carried out regarding this matter. The Medium Term Financial Plan, which resulted in off-street charges being increased to £1 per hour was subject to consultation, and there was very little adverse feedback in response to the charges.

## **Financial Implications**

12. The proposals will increase income from car parking by an estimated £25,000.
