Dear Valerie,

## **Sadberge Neighbourhood Plan**

Sadberge Parish Council hereby applies for Sadberge Parish to be designated as a neighbourhood area for a Neighbourhood Plan.

A map of Sadberge Parish can be found on the Darlington Borough Council web site at [http://www.darlington.gov.uk/dar\\_public/documents/\\_Resources/Resources/DemocraticServices/ParishMaps/sb.pdf](http://www.darlington.gov.uk/dar_public/documents/_Resources/Resources/DemocraticServices/ParishMaps/sb.pdf).

As a defined parish, this is an appropriate area to be designated as a neighbourhood area.

As a parish council, Sadberge Parish Council is capable of being a qualifying body for the purposes of preparing a Neighbourhood Plan.

If you would like to discuss any aspect of this application, or if there are any difficulties with proceeding with the designation process, then please contact me.

Yours sincerely,

**Alastair Mackenzie**  
**Clerk to Sadberge Parish Council**
