
DISCRETIONARY RATE RELIEF 2004/2005

**Responsible Cabinet Member(s) - Councillor Don Bristow,
Resource Management Portfolio**

Responsible Director(s) - Paul Wildsmith, Director of Corporate Services

Purpose of Report

1. A number of applications in respect of discretionary rate relief have been received from various charitable and non profit making organisations, details of which are shown in the report.

Background Information and Criteria

2. Discretionary Rate Relief (DRR) is an optional power Local Authorities have under section 47 of the Local Government Finance Act 1988 to assist charitable and other non profit making organisations to reduce their liability in respect of business rates.
3. Charitable organisations are eligible to receive 80% mandatory rate relief which is 100% grant aided through the national non domestic rates pool (NNDR). In addition, discretionary rate relief of up to a further 20% can be awarded to these organisations, of which 25% is grant aided through the non domestic rates pool, with the balance of 75% being chargeable to this Council's revenue budget.
4. Other non profit making organisations which do not have charitable aims e.g. clubs, societies or other organisations and are for the purposes of recreation, literature or fine arts can apply for discretionary rate relief of up to 100% of the overall total rates liability, 75% of this cost is offset against payments into the national non domestic rates pool and the remaining 25% being chargeable to this Council's revenue budget.
5. For all types of Discretionary Rate Relief there is a 2004/05 budget provision of £23,000.
6. Historically over a number of years a pattern has emerged whereby the Council has awarded the following to charitable and non profit making organisations :-
 - (a) Discretionary rate relief of 20% has been awarded where an organisation receives 80% mandatory rate relief.
 - (b) Discretionary rate relief of 50% has been awarded where an organisation is not in receipt of mandatory rate relief and do not have a drinks licence for their premises.

- (c) Discretionary rate relief of usually 10% has been awarded where an organisation is not in receipt of mandatory rate relief but where they have a drinks licence for their premises.

Information and Analysis

7. **Schedule 1** attached shows applications for Discretionary Rate Relief from organisations who receive mandatory rate relief of 80% because of their charitable status. These organisations have received an additional 20% discretionary rate relief granted by this Council in previous years. The Cabinet is asked to consider whether it wishes to support these applications detailed in this schedule, and if so, to what extent.
8. **Schedule 2** attached shows applications for Discretionary Rate Relief from Sports Clubs and Recreational Organisations who previously received Discretionary Rate Relief of between 10%-50% because of their charitable status. These organisations are not in receipt of mandatory rate relief. The Cabinet is asked to consider whether it wishes to support these applications detailed in this schedule, and if so, to what extent.
