
	<p>A New Vision for Darlington Consultation</p> <p>WE WANT TO HEAR FROM YOU</p> <p>Read the background below and give us your views</p>	
<p>Important Note: if you have already sent us your comments on the draft Community Strategy, these have been filed and will be taken into account in revising the document. There is no need to resubmit your comments.</p>		
<p>Deadline for Comments: 31st January 2008</p>		
<p>Background: Darlington Partnership is leading on the development of a new Sustainable Community Strategy. The SCS will provide the long-term vision for Darlington that all partners will be working to from April 2008. A new Local Area Agreement will be drawn-up with Government to deliver the strategy on a 3-5 year cycle.</p> <p>The strategy themes and priorities document is available on the intranet with this form. It can also be obtained by email from Peter Roberts or John Bosson in the Corporate Policy Unit. We want your views on all aspects of the document, including:</p> <ul style="list-style-type: none"> • Is the content factually correct? • Is it complete – what is missing? (Please remember that this is a high level ‘vision’ document that will provide the context for more detailed plans and strategies – it cannot include ‘everything’). • Is there any content that you think should be deleted? • What do you think of the approach to the priorities of ‘the Vision for Darlington’ and ‘One Darlington, running through all the themes’? 		
<p>How to make your views known: please download this form to your PC, make your comments below and on page 2, overleaf, and continue on a separate sheet if necessary, then email your completed form to Peter Roberts. Alternatively you can print the form, write in your comments and send the form back to Peter Roberts, Chief Executive’s Office, Town Hall.</p>		
<p>More Information About the Strategy Document: the draft strategy document is work in progress, and currently contains the core themes and priority actions. If you want to know more about the structure and content of the strategy before making your comments, see the document, ‘About the Sustainable Community Strategy’, available on the intranet with this form.</p>
