**SCHOOL ADMISSION ARRANGEMENTS FOR 2009/10**

---

**Purpose of Report**

1. I have requested a call-in of the decision of Cabinet, in relation to the Local Authority's Admissions Policy for 2009/10 (Minute C192(2)/Mar/08). The reason I have requested the call-in is to receive further information from the Officers to enable Members to understand how the selection criteria is applied and verified, to understand the mechanism for record keeping, and to review the associated transport costs.
