
**ADULTS AND HOUSING SCRUTINY COMMITTEE –
WORK PROGRAMME**

SUMMARY REPORT

Purpose of the Report

1. To consider the work programme items scheduled to be considered by this Scrutiny Committee and to consider any additional areas which Members would like to suggest should be added to the previously approved work programme.

Summary

2. Members will recall that, at previous meetings of this Scrutiny Committee, discussions have been held and agreement reached on areas where this Scrutiny Committee would like to focus its work and work has been, and is currently being, undertaken in relation to some of these areas of work is still due to commence on others.
3. For Members information, the Children and Young People Scrutiny Committee are planning to undertake a piece of work later this year in relation to young carers and it has been suggested that it might be useful if Members from this Scrutiny Committee were involved in that review. It is therefore suggested that consideration be given at this meeting to nominating two Members from this Scrutiny Committee in preparation for the Review Group being established.

Recommendation

4. It is recommended that Members :-
 - (a) note the current status of the work programme; and
 - (b) nominate two Members of this Scrutiny Committee to participate in the proposed review by the Children and Young People Scrutiny Committee in relation to young carers.
