Impact on Outcomes Procurement

Outcomes	Weight	B1	Score	Notes
People in Darlington are healthy and supported	1	No impact		
People in Darlington are educated and skilled	1	No impact		
People in Darlington are financially secure	1	Small negative impact		The move to larger contracts may impact upon some small businesses / self employed residents / third sector providers who currently provide services to the Council affecting the SCS priority that at least one person in each family is in well paid employment. Full Equality Impact Assessments and Disability Equality Impact Assessments must be conducted as the detail of each contract emerges. Under the Equality Act 2010 Procurement is identified as having the potential to deliver positive impacts
Individuals are not disadvantaged by their family circumstances at birth, nor by where they reside. People live in cohesive and resilient communities	1	No impact		
People in Darlington live in sustainable neighbourhoods	1	Small negative impact		There could potentially be a small negative impact on miles travelled across Darlington if contracts change and suppliers have to travel greater distances. There could be an impact on providers of local goods and services e.g. food supplies, if larger scale contracts are sought. Full Equality Impact Assessments and Disability Equality Impact Assessments must be conducted as the detail of each contract emerges. Under the Equality Act 2010 Procurement is identified as having the potential to deliver positive impacts
Our communities are safe and free of crime	1	No impact		
Darlington is an ambitious, entrepreneurial place in which businesses thrive and create wealth	1	Small negative impact		The move to larger contracts may impact upon some small businesses / self employed residents / third sector providers who currently provide services to the Council affecting the SCS priority that the local economy is built across a broad range of sectors with strong local ownership to ensure overall resilience. Full Equality Impact Assessments and Disability Equality Impact Assessments must be conducted as the detail of each contract emerges. Under the Equality Act 2010 Procurement is identified as having the potential to deliver positive impacts

Financial Impact Procurement

Considerations	Weight	B1	Score	Notes
What are the potential monetary efficiency savings?	1	High Saving - £1m+		
How much of an investment is needed to realise the saving?	1	Small-medium investment £20K-£100K		
How easy is it to implement the option?	1	Potential difficulties to implement		
When will the savings be realised?	1	Savings to be made over 6 months
