
MEMBERSHIP OF COMMITTEES

Responsible Cabinet Member(s) - Councillor John Williams, Leader

Responsible Director(s) - Paul Wildsmith, Director of Corporate Services

Purpose of Report

1. To amend the membership of Committees for 2006/07 as approved at the Annual Council meeting following the resignation of Councillor Maybrey from the Conservative Group.

Background

2. The membership of the Council's Committees reflects the political composition of the Council in relation to 'Counting Committees'. The Council's 'Counting Committees' are Cabinet and Planning, General Licensing/Licensing Act 2003 and the five Scrutiny Committees.
3. As Councillor Maybrey has resigned from the Conservative Group and become an Independent Member of the Council, the number of seats the Conservative Group is entitled to on the 'Counting Committees' has reduced from 25 to 23 places. The places the Conservative Group has on the General Licensing Committee/Licensing Act 2003 Committee and the Environment Scrutiny Committee have each reduced by one.
4. As an Independent Member Councillor Maybrey would take the seats on the Committees mentioned in paragraph 3 above.
5. The revised membership list of Committees is attached as an **Appendix** to this report.

Legal Implications

6. This report has been considered by the Legal Services Manager for legal implications in accordance with the Council's approved procedures. There are no issues which the Legal Services Manager considers need to be brought to the specific attention of Members, other than those highlighted in the report.

Section 17 of the Crime and Disorder Act 1998

7. The contents of this report have been considered in the context of the requirements placed on the Council by Section 17 of the Crime and Disorder Act 1998, namely, the duty on the Council to exercise its functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in

its area. It is not considered that the contents of this report have any such effect.

Council Policy Framework

8. The issues contained within this report are required to be considered by Council.

Recommendation

9. Members are asked to approve the revised membership of Committees for 2006/07 as attached as an **Appendix** to this report.

Reason

- (a) The recommendation is supported to ensure the political make-up of the Council is reflected in the Council's 'Counting Committees'.
