
THE CHILD'S JOURNEY
COMMISSIONING FOR RESILIENCE

SUMMARY

Purpose

1. To inform Scrutiny of current services for Children and Young People, and future direction based on levels of need, evidence and finance.

Summary

2. This document has been created within the Commissioning for Resilience programme in Services for People. The document is divided into sections, each capable of being used separately for different purposes. This has been created from a range of documents in existence and national and local evidence.
3. "The Child's Journey" is put in a Darlington context and contains levels of need, service development, finance and outcomes.

Recommendation

4. It is recommended that Children and Young People's Scrutiny note the document and implications for future service development.
