

DARLINGTON JSNA STRUCTURE (High Level)

KEY STRATEGIES, PLANS AND PROFILES

THE COMMUNITY

Population

- Population figures
- Births
- BME/Ethnicity Information
- Migrant Populations
- Urban/rural classifications
- Numbers of households
- Deprivation and Poverty
- Wards
- Access to car/van

Vulnerable Groups

- Special educational needs and disability (SEND) children
- Veterans/Ex-service personnel and their families
- Gypsy/Roma/Travellers
- Rural communities
- People with physical and sensory impairments
- People with Learning Disabilities/Impairments
- People with Autism
- Carers including young carers
- Children missing and/or subject to Sexual Exploitation (CSE)
- Victims of Domestic Abuse

Housing

- Housing Tenure
- Overcrowding
- Central Heating
- People living alone
- Housing need
- Homelessness and prevention
- Domestic Violence
- Total Homeless
- Waiting lists

Crime and community safety

- Overall Crime
- Incidents of domestic abuse
- Anti-social behaviour (ASB)
- Alcohol related crime
- Satisfaction of the public

Economic Factors

- Overall employment rate
- Working age people on out of work benefits
- Working aged people claiming out of work benefits in the worst performing areas
- Adults with learning disabilities in employment
- Adults in contact with secondary mental health services in employment
- Unemployment rate
- Claimant count
- Average income

BEHAVIOURS THAT INFLUENCE HEALTH AND WELLBEING

Alcohol

- Alcohol harm related hospital admissions
- Modelled or recorded drinking behaviour
- Deaths attributable to alcohol misuse

Smoking

- Modelled or recorded smoking prevalence
- Deaths attributable to smoking
- Quit rates
- Pregnant women smoking at time of delivery

Eating Habits

- Obesity rates for children in Reception Year
- Prevalence of breastfeeding at 6-8 weeks from birth
- Obesity rates for children in Year 6
- Modelled or recorded eating behaviour
- % of DFMT in 5 year olds

Drug and Substance Misuse

Prevalence

- Adults - number of individuals aged 15 – 64 estimated to be using opiates, cocaine, cannabis and novel psychoactive substances
- Young people of secondary school aged Y7-Y11 using any drug, or using cannabis

Treatment

- Numbers of adults aged 18 and over in treatment for opiates and non-opiates
- Success completions for opiates and non-opiates
- Young people in treatment
- Successful completions of treatment

Waiting Times

- Adults aged over 18 (all drugs)
- Young people (drugs and alcohol)

Prison

- Proportion of people entering prison with substance dependence issues who are not previously known to community treatment services

SEXUAL HEALTH

- KC60 CUM STI data particularly Gonorrhoea
- New diagnoses of HIV/Aids
- Late diagnoses of HIV/Aids
- Uptake of Chlamydia screening in under 25s
- Offer of an appointment at a GUM service within 48 hours
- Long acting reversible contraception methods
- Access to NHS funded abortions before 10 weeks gestation
- Under 18 conceptions

OTHER FACTORS THAT INFLUENCE HEALTH AND WELLBEING

Adults' Health and Lifestyle

- Numbers of people using adult social care services
- Physical disability and frailty -clients/service provision in community
- Substance Misuse - clients/service provision in community
- Learning Disability - clients/service provision in community
- Timeliness of social care assessment
- Physical activity - participation in sport and active recreation

Children and Young People's Health and Lifestyle

- Numbers of CYP and families supported in Darlington
- Numbers of CP cases
- LAC numbers
- Children missing and/or at risk of sexual exploitation (CSE)
- Proportion of CYP who have drunk alcohol
- Proportion of CYP who have used drugs
- Proportion of CYP who eat healthily

Carers and Young Carers

- Numbers of carers
- Number of carers aged over 65
- Numbers of young carers under age of 24

Preventative Services

- Uptake rates for flu jabs
- Proportion of children who complete immunisation by recommended ages
- Proportion of women aged 47-49 and 71-73 offered and participating in screening for breast cancer
- Take up of screening for men's cancers

Dental Care

- % of DFMT in 5 year olds
- Numbers of people accessing NHS Dentistry

Maternity

- Early access for women to maternity services
- Breastfeeding initiation

LIFE EXPECTANCY AND MORTALITY

Life Expectancy

- Life expectancy
- Healthy life expectancy at age 65

Mortality

- All age all-cause mortality
- Infant mortality
- Mortality rate from causes considered amenable to healthcare

Causes of death

- Main causes of death

ILLNESS AND DISEASE

Hypertension (High Blood Pressure)

- Modelled or recorded hypertension

Diabetes

- Modelled v recorded prevalence of diabetes
- Estimated excess deaths among people with diabetes

Circulatory Disease (Cardio Vascular Disease - CVD)

- Mortality rate from all circulatory disease under 75
- Mortality from Cardio Vascular Disease (CVD)
- Modelled v recorded prevalence CHD
- Hospital admission rates for Myocardial Infarction (heart attack) (proxy for incidence)
- Admissions for cardiac vascularisation

Stroke

- Mortality Stroke
- Hospital admission rates for stroke (proxy for incidence)

Cancer

- Mortality rate from all cancers under 75
- Cancer registration by site

Chronic Obstructive Pulmonary Disease (COPD)

- COPD Mortality
- Modelled v recorded prevalence COPD

Tuberculosis

- TB Notifications

Trauma and accidents

- Hospital admissions for fractured proximal femur (proxy for incidence)
- People killed or seriously injured (KSI) on roads
- Children KSI
- Hospital admissions caused by unintentional and deliberate injuries to children and young people
- Admissions for hip and knee replacements

Long-term conditions

- Proportion of people with long-term conditions supported to be independent and in control of their condition
- The extent to which older people receive the support they need to live independently at home

Mental Health including dementia

- Proportion of people with depression and/or anxiety disorders who are offered psychological therapies
- Prevalence of dementia
- Suicide and injury of undetermined intent mortality rate
- Mental illness needs indices and prevalence rates
- Self-reported measures of overall health and wellbeing
- Children's Mental Health

What people tell us
