## MAIN REPORT

### Information and Analysis

7. The Local Authority acts as a 'clearing house' for all applications for a place at a school in Darlington at the normal point of entry (September). This is part of a co-ordinated scheme where the Local Authority is the admissions authority for community and voluntary controlled schools and acts on behalf of the admission authority of voluntary aided schools, foundation and St Aidan's Church of England Academy in the Borough. The Authority will make a single offer of a school place each academic year, to parents who have expressed a preference for their child to be admitted to a maintained school within Darlington. Although all applications will be considered on an equal weighting basis, should a child be eligible for a place at more than one school, parents/carers are requested to rank their order of preference on the 'Primary/Secondary School Application form 2011/12' in order that only one offer will be made. The relevant admissions oversubscription criteria will be applied to all schools that are oversubscribed.
8. The equal preference system operates to give parents choice in their selection of schools, allocating their highest ranked preference wherever possible.
9. Attached at **Appendix A** is the Co-ordinated Admission Scheme for both primary and secondary school applications.
10. The admissions oversubscription criteria for community and voluntary controlled primary schools will be:
  - (a) Looked After Children
  - (b) Medical Reasons
  - (c) Family Links
  - (d) Associated Schools
  - (e) Distance
11. This now includes an additional category of 'Associated Schools', which would only be used in the case of families applying from infant to junior phase of their education. This criterion has been added to prioritise applications from families whose children attend of the two remaining infant schools' Abbey Infants and Mowden Infants, so that they may continue their education at one of the two associated junior schools, Abbey Juniors or Mowden Juniors. These applications would receive priority over those from families whose children were in attendance at another school.
12. The admissions oversubscription criteria for community secondary schools will be:
  - (a) Looked After Children
  - (b) Medical Reasons
  - (c) Family Links
  - (d) Associated Transport
  - (e) Distance

Full details of each criterion are provided in Appendix A.

13. Where a child has undergone statutory assessment and a statement of Special Educational Needs (SEN) has been issued, the statement will name the school the child should attend. All schools are obliged to admit the child in accordance with the statement.
14. Children with SEN are therefore placed in schools outside the admissions round for pupils who do not have a statement.
15. Once approved, there is a statutory duty on the Local Authority to forward the Co-ordinated Admissions Scheme to the Department for Children, Schools and Families (DCSF) before 15th April 2010. If this does not happen the Secretary of State may impose a scheme on the Authority.

### **Outcome of Consultation**

16. The Authority is legally obliged to consult with relevant admission authorities each year by 1st March in the year of entry. Consultation has taken place with all neighbouring authorities, admission authorities within the Borough, Headteachers and Governing Bodies, Local Admissions Forum and parents.
17. The Local Authority has acted where appropriate upon comments on its proposed co-ordinated scheme for 2011/12. The comments and the Local Authority response to these comments are attached at **Appendix B**.
