

Darlington Borough Council

Co-ordinated Admissions Scheme for Secondary Schools in Darlington

Introduction

1. This scheme is made by Darlington Local Authority under the Education (Co-ordination of Admission Arrangements) (Secondary) (England) Regulations 2002 and applied to all maintained secondary schools in the Darlington area.
2. The proposed co-ordinated scheme is for the academic year 2009/10 and shall apply to every secondary school in Darlington Authority area (except Beaumont Hill special school) and will take effect from September 2009.
3. The scheme is determined in accordance with the provisions set out in Schedule 1 and processed in accordance with the timetable set out in Schedule 2.

Schedule 1**PART I - THE SCHEME**

1. There will be a standard application form known as the Secondary School Admission Form (SSA) supplied by the Local Authority for parents living in the Darlington area who wish to express a preference(s) for a secondary school in the Authority area or to a school(s) in another LA area.
2. The SSA will be used for the purpose of admitting pupils into the first year of secondary education in the specified year.
3. The SSA must be used as a means of expressing one or more preferences for the purposes of section 86 of the School Standards and Framework Act (1998), by parents resident in the LA area wishing to express a preference for their child:
 - a. to be admitted to a maintained secondary school within the LA area (including Voluntary Aided, Foundation and the Academy);
 - b. to be admitted to a school located in another LA's area (including VA, Foundation schools and Academies).
4. The SSA will invite the parent to express up to three preferences and give their reasons for each preference by completing the SSA and explain that the parent will receive no more than one offer of a school place and:
 - a. all preferences expressed will be considered on an equal weighting basis but where a child is eligible for more than one place it will be the highest ranked school for which they are eligible that they will be offered by the LA as the admissions authority, or on behalf of another LA, and admission authority of a VA, Foundation and Eastbourne Academy;
 - b. if a place cannot be offered at a nominated school, then the parent/carer will be offered a place at the nearest alternative school that has places available.
 - c. will specify the closing date and where it must be returned, in accordance with paragraph 10.
5. The LA will make appropriate arrangements to ensure that all reasonable steps are taken to issue a SSA to every child living in the Darlington area who is due to transfer to secondary education in September 2009 and the SSA is accompanied by a written explanation of the co-ordinated admissions scheme.

6. The LA will ensure that a supplementary form will be available from the LA for parents to complete who express a preference for a VA school to enable them to provide relevant additional information.
7. All preferences expressed on the SSA are valid applications. The Governing Body of a VA school can require parents who wish to nominate, or have nominated, their school on the SSA, to provide additional information on a supplementary form only where the additional information is required for the Governing Body to apply their oversubscription criteria to the application. Where a supplementary form is required it must be returned to the LA, along with the SSA, so that the relevant forms can be passed to the appropriate school.
8. Where a school receives a SSA in error it should inform the maintaining LA, whether the parent lives in that area or, so that the home LA can ensure that a SSA is received with preferences and ranking.
9. Where a school receives a supplementary form from a Darlington resident it will not be regarded as a valid application unless the parent has also completed a SSA and the school is nominated on it. Where supplementary forms are received directly by a VA, the school must inform the LA immediately so it can verify whether a SSA has been received from the parent and, if not, contact the parent and ask them to complete a SSA. Under the requirements of the scheme, parents will not be under any obligation to complete an individual school's supplementary form where this is not strictly required for the Governing Body to apply their oversubscription criteria.

Processing of Secondary School Admission Forms

10. The closing date for applications is **24th October 2008**. Completed SSAs are to be returned to the LA via primary schools, so that the LA can keep track of parents that do not complete a SSA.
11. SSAs received after the closing date but before Friday 16th January 2009 will be considered by the Authority if there are exceptional/individual circumstances which prevented the submission of the SSA by the stated deadline. Consideration will be given to families who have moved into the area, single parents who have been ill for some time or for parents who have been dealing with the death of a close relative. All must provide clear evidence for the LA to make a individual basis, if the reason given is unacceptable then the application will be considered after the applications received by the deadline and the decision of the LA will be final.
12. **By 24th October 2008** primary schools will forward all applications (and supplementary forms) to the LA.

13. **By 7th November 2008** where parents have nominated a school outside the LA area, the LA will notify the relevant authority/authorities.
14. **By 14th November 2008** the LA will notify the admission authority for each of the schools of every nomination that has been made for that school, including all relevant details and any supplementary forms received by this date, which schools require in order to apply their oversubscription criteria.

Determining offers in response to the Secondary School Admissions Form

15. The LA will act as a clearing house for the allocation of places by the relevant admission authorities in response to the SSAs. The LA will only make any decision with respect to the offer or refusal of a place in response to any preference expressed on the SSA where it is acting in its separate capacity as an admission authority or an applicant is not eligible for a place at any school that the parent has nominated.
16. **By 9th January 2009** VA, Foundation, Academy and other LAs will have considered all applications for their schools. They will then provide the LA with a list of those applicants ranked according to the school's oversubscription criteria who may potentially be offered a place at the school up to the PAN. Applicants that are refused also need to be listed in order of oversubscription criteria.
17. The LA will compare the lists from all admission authorities against the schools nominated on the SSA. Where the child is eligible for a place at only one of the nominated schools that school will be provisionally allocated to the child.
18. Where a child is eligible for a place at more than one school, then a place will be provisionally offered at the highest ranked school for which they are eligible.
19. Where the child is not eligible for a place at any of the nominated schools, the child will be provisionally allocated a place at the nearest appropriate school with a vacancy.
20. The LA will consult with all relevant admission authorities until the allocation of places is resolved.
21. **By 13th February 2009** negotiate with other LAs to finalise offer of places and by **20th February 2009** the LA will inform its secondary schools of the pupils to be offered places at their schools.
22. Where no SSA was received, an offer of a place will be made at the nearest appropriate school with vacancies, to the home address of the child.

23. **On 1st March 2009** (*letters will be issued on Monday 2nd March, due to 1st March being a Sunday*) parents will be notified that they are being offered a place at an allocated school. The letter will give the following information:
- a. the name of the school at which a place is offered whether it be an offer by the LA or on behalf of another admission authority;
 - b. the reasons why the child is not being offered a place at each of the other schools nominated on the SSA;
 - c. information about their statutory right of appeal against the decision to refuse places at the other nominated schools;
 - d. contact details for the school and LA (and those nominated Foundation, VA or the Academy school where they were not offered a place, so that they can lodge an appeal with the governing body);
 - e. where the child has been refused a place at a nominated Foundation, VA or the Academy school, an invitation for the child's name to be added to a waiting list. For community and voluntary controlled schools, the LA will operate a waiting list until the end of September 2009, to fill places that may become available at the beginning of the school year. This is only applicable to pupil's entering school at Year 7.
 - f. what to do if the place offered is in another LA;
 - g. what to do if an offer was not made at the preferred school which was within another LA, who to contact and the timescale in which to do so.
24. Parents will have seven days to respond to the offer letter to accept the school place offered. The LA will then look to withdraw the offer.

PART II - LATE APPLICATIONS

SSAs received after Friday 17th October 2008 (late applications) will be considered only in exceptional circumstances, e.g. families who have moved into the area after the closing date. These late applications will be considered up to and including Friday 16th January 2009.

In any other circumstances SSAs received after the closing date (late applications) will be held on a waiting list for consideration once the process has been applied to those applications who had submitted forms by the required deadline.

PART III - WAITING LISTS

A child's position on a waiting list(s) will be determined by the oversubscription criteria for the relevant admission authority and will be based on the preferences indicated on the SSA. If a parent/carer wishes to add their child's name to a waiting list for a school for which they did not express a preference, then they must complete the supplementary form that will be attached to their offer/refusal letter issued in March 2008.

Vacancies often arise at short notice and those on the waiting list should be prepared to take up a place as soon as it occurs. Places will not be held for later consideration. The LA will maintain waiting lists for Community & Foundation schools for Reception Year pupils only until the end of September 2008. Thereafter normal transfer/casual admission arrangements will operate.

PART III – IN YEAR ADMISSIONS

Applications received after 1st September 2009 and for places in year groups other than the normal year of entry will be treated as in-year admissions. The LA does not operate waiting lists for any community or foundation schools.

For families moving into the Authority and wishing to gain a place at a community or voluntary controlled secondary school, parent/carers should contact the LA direct. If requesting a place at a Foundation, VA or the proposed Academy school should contact the school direct.

If a child already attends a Darlington mainstream secondary school and wishes to transfer to another, they must in the first instance discuss the transfer with the current school that the pupil is at. If they then still wish for the transfer to proceed, PART A of a transfer request form should be completed by the school and issued to the parent/carer who will then forward to the LA. The LA in turn will forward to the recipient school for completion.

If a child wishes to transfer to a mainstream secondary school in Darlington that has reached or exceeded its admission limit, after discussion has taken place with the current school, a transfer request form should be completed, then parent/carers should be directed to the LA who will inform them of their right to appeal and issue appeal papers. For children wishing to transfer to an oversubscribed VA school the transfer request form will be forwarded, the VA school can then inform parents of their right to appeal.

- (ii) **Medical Reasons**
Pupils with very exceptional medical factors directly related to school placement. Applications under this criterion should be supported by written evidence from a doctor.

- (iv) **Associated Transport**
Pupils who live in an area from which the Authority provides designated transport to the preferred school in order to limit travel costs.
- (v) **Distance**
Pupils who live nearest the preferred school measured by the shortest walking route judged to be safe. This will be based on the parental address.
