

**DUAL DIAGNOSIS DRAFT STRATEGY  
DISTRIBUTION LIST FOR CONSULTATION**

The Draft Strategy was circulated widely in September 2004 for an extensive period of consultation, which ended December 20<sup>th</sup> 2004.

Recipients were asked to distribute the strategy further throughout their own network of contacts with details of how to provide feedback.

**Electronic access**

*A flyer was produced and circulated extensively outlining how the Strategy could be accessed and feedback provided electronically.*
