Summary

2. This report sets out in abbreviated form the outcome of matters which have been the subject of complaints to the LGO since the last report to Cabinet on which the LGO has come to a conclusion. MAIN REPORT

Information and Analysis

5. Cabinet at its meeting on 14th May, 2002 considered a report on the outcome of cases referred to the LGO during the Municipal Year 2001/02 and resolved that at each meeting of Cabinet a similar report should be submitted on the outcome of cases since the previous meeting of Cabinet. Since the preparation of the report for the meeting on 6 October 2009, **one** case has been the subject of decision by the LGO.
6. The outcome of cases on which the LGO reached a view in the current reporting period is as follows :-

Finding	No. of Cases
Local Settlement (LS)	1
Maladministration Causing Injustice (MI)	0
Maladministration No Injustice (MNI)	0
No Maladministration (NM)	0
No or Insufficient Evidence of Maladministration (NIEM)	0
Ombudsman's Discretion (OD)	0
Outside Jurisdiction (OJ)	0
Premature Complaint (PC)	0

Local Settlement

7. This heading relates to cases where the LGO after investigation suggests that the complaint might be resolved locally without a formal report being made and suggests how the matter might be drawn to a conclusion.

Maladministration No Injustice

8. This heading was introduced by the Local Government and Public Involvement in Health Act 2007. It relates to cases where the Council has made an error without causing an injustice. The purpose is to ensure that the Council rectifies errors even if no one has suffered in the particular case.

No or Insufficient Evidence of Maladministration

9. This heading is self-explanatory. The LGO will have carried out preliminary investigations but concluded that there is no or insufficient evidence of maladministration and no further action will be taken.

Ombudsman Discretion

10. This heading covers those cases where the LGO decides not to investigate the case further for any other reason and exercises her discretion to close the file.

Outside Jurisdiction

11. A matter under this heading is one where the LGO for one of a number of technical reasons is not empowered to take action, e.g. there is a remedy through a normal Court of Law or the matter relates to an employment issue.

Premature Complaint

12. This heading covers matters where the Local Authority has not had the opportunity to deal with a complaint through its own internal complaints procedures; the LGO will normally wait for that procedure to be carried out before she considers investigating the matter herself.

Analysis of Findings

13. The opportunity is normally taken to analyse the areas of the Council's functions where complaints have arisen. It seems appropriate to do that in order to establish whether there is any pattern to complaints received or whether there is a particular Directorate affected or a type of complaint which is prevalent. If there were a significant number of cases in any one particular area, that might indicate a problem which the Council would seek to address.
14. There is only one case this month which resulted in local settlement. The case concerned a tree which the complainant alleges is causing damage to his property. The Council has agreed to finance a structural engineer's report and to refer the report to someone who has not previously been involved to review the matter.

Future Reporting

15. The creation of the Corporate Complaints Unit has reduced the number of complaints being referred to the local government Ombudsman and as a result fewer complaints are being reported to Cabinet. To avoid a report for a single item, and members will have noted that no report was produced last month as there were no cases, it is suggested that the Ombudsman Complaints report should be presented quarterly unless there is a rise in the number of cases leading to a review.

Outcome of Consultation

16. The issues contained within this report do not require formal consultation.
