
**PLANNING FOR DARLINGTON'S FUTURE HOUSING NEEDS AND THE
DEVELOPMENT PLAN IMPLICATIONS**

Purpose of Report

1. We have requested a call-in of the decision of Cabinet, in relation to Planning for Darlington's Future Housing Needs and the Development Plan Implications (Minute C70(2)/Nov15). The reasons we have requested the call-in is that we believe that Cabinet did not have the correct information to make its decision and should be the subject of further Scrutiny. We request that a revised report be submitted to Cabinet which should be asked to support a Local Plan to reflect a correctly adjusted total figure and a future broken down into property categories as per the Strategic Housing Marketing Assessment.
