

Overview of final recommendations for Darlington Borough Council

Summary of our recommendations

The Commission considered all representations received during consultation on its draft recommendations.

In light of feedback received during the public consultation, the Commission proposes to alter some of the recommendations it put forward in March. For example, the Commission has changed the names of some of the wards it originally put forward for consultation. As such, the proposed Bank Top ward is renamed Bank Top & Lascelles ward, Albert Hill ward becomes Stephenson ward and Haughton Le Skerne ward becomes Haughton & Springfield ward.

Elsewhere in Darlington, and in response to local views, the Commission has changed its draft recommendation in the north west of the borough so that the Bishop's Palace development site is included in a Faverdale ward rather than Pierremont ward as previously proposed. The Commission has also decided to change the name of the ward in question to Brinkburn & Faverdale as a better reflection of local community identities.
