MAIN REPORT

Quality Accounts 2017/18

6. The Health Act 2009 requires Foundation Trusts to publish an Annual Quality Account Report.
7. The purpose of the Annual Report is for Trusts to assess quality across all of the healthcare services they offer by reporting information on annual performance and identifying areas for improvement during the forthcoming year and how they will be achieved and measured.
8. The priorities for improvement are divided into the three components of quality; safety, experience and effectiveness.
9. Overview and Scrutiny Committee's play an important role in development and providing assurance on Quality Accounts reports. The Health Act requires Trusts to send a copy of their report to be considered by their appropriate Overview and Scrutiny Committee.
10. In advance of the Trust's report being considered by Overview and Scrutiny Committees it is vital that the priority areas identified are considered and that discussion takes place. Comments or views from Overview and Scrutiny Committees should be reflected in the final report and involvement should be credited within the document.
