

Committee Procedure (Slide No 1)

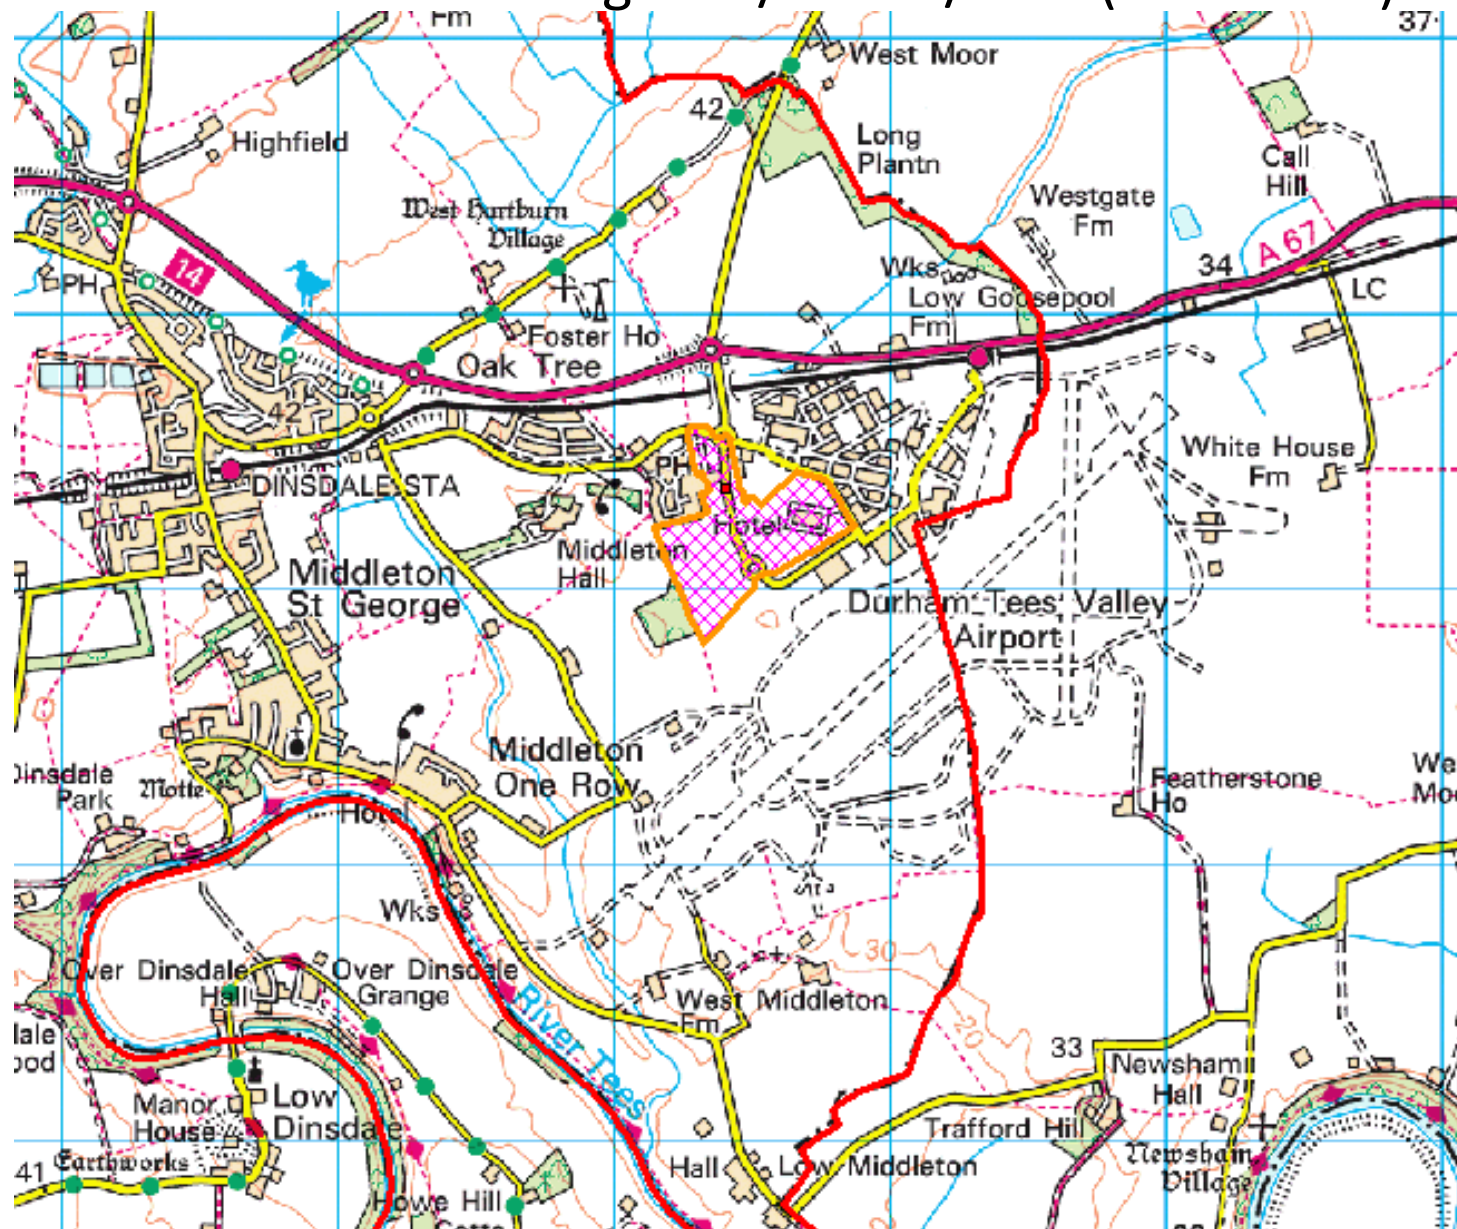

- Planning Officer's report (pre-circulated):
 - summarises views of consultees; any objections received; and information received from the applicant;
 - considers policy context and other material considerations;
 - makes a recommendation to the committee.
- Applicant and objectors - may address the committee.

Committee Procedure (Slide No 2)

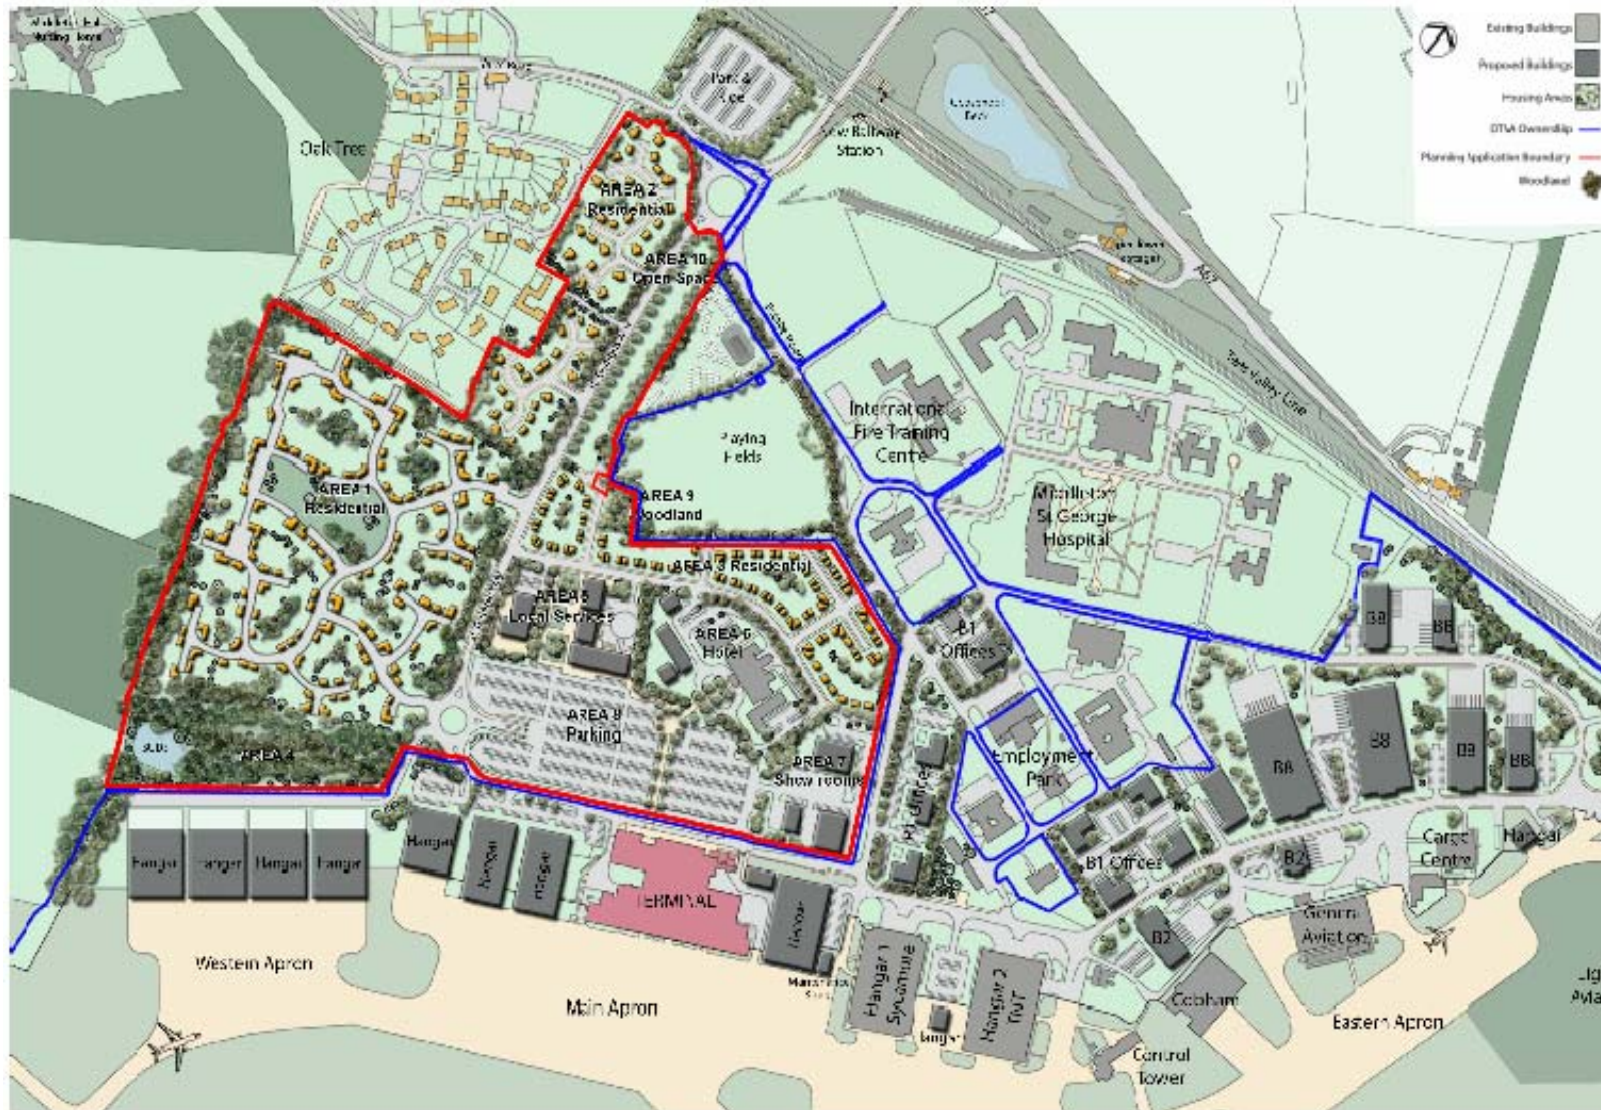

- Committee members (including the Chair) may ask questions of speakers.
- Speakers have right of reply.
- Officers summarise planning issues.
- Members formulate the motion on which to vote.
- Chair calls for a vote on the motions.
- Chair has a 'casting vote'.
- The Chair announces the result of the vote and the committee moves to next business.
