
**AUDIT SERVICES – QUALITY MANAGEMENT SYSTEM SURVEILLANCE
REPORT**

Purpose of Report

1. To report outcomes from the Quality Management Surveillance Report issued by Lloyds Register Quality Assurance Limited in respect of Audit Services' Quality Management System.

Information and Analysis

2. Audit Services operate a management system certified to the ISO 9001: 2008 International Quality Standard which drives the Service's processes and operations. The system is accredited via Lloyds Quality Assurance Limited and is subject to surveillance inspections to ensure it remains fit for purpose and complies with the International Standard.
3. Attached is a copy of the Surveillance Report produced by the external assessors following an inspection visit in May 2012.
4. The assessment outcome from the visit is extremely positive. The report highlights that Audit Services' Quality Management System clearly conforms to the requirements of the ISO 9001:2008 Standard and no major findings were identified.

Recommendation

4. It is recommended that the contents of the report be noted.

Reasons

5. The recommendation is supported to provide the Audit Committee with evidence to reflect on Audit Services' quality management arrangements.
