8. The report should be considered in the context of fulfilling the function to monitor the adequacy and effectiveness of the Council's internal control environment and the Internal Audit service provided.
9. In order to portray progress three Appendices are attached:-
 - (a) **Appendix A** – summarises the outcome from Audit Assignments undertaken and outlines those in progress.
 - (b) **Appendix B** – details some of the more significant outputs from consultancy/corporate arrangements work/contingency activity carried out.
 - (c) **Appendix C** – states Audit Services' Performance Indicators and gives results or year-end projections.
10. The results of audit assignments carried out to 31 August 2013 are shown at **Appendix A**. Audit assignment work has resulted in substantial assurance opinions in respect of VAT, three primary schools, Car Parks, Civic Theatre Box Office, Environmental Health and Building Control. A limited assurance opinion resulted from the audit review of the Civic Theatre Front of House where improvements were required in stock control and banking control records. In this instance management have responded positively to audit findings and an action plan has been agreed to deliver the necessary improvements.

11. In line with good practice, at an appropriate time, Audit Services follow up with Managers progress on implementation of audit recommendations agreed in audit reports. It is pleasing to report generally no matters of concern on this point both from an internal and external audit perspective.
12. The Section has worked on a number of consultancy projects identified in the original Audit Plan and with recognised flexibility some have been replaced by others at the request of individual Directors. Some of the more significant outputs from consultancy, corporate arrangements work and contingency activity carried out are identified in **Appendix B**.
13. The position is positive upon Key Performance Indicators (**Appendix C**) with operational targets likely to be achieved.
