**ANNUAL GRANTS CERTIFICATION REPORT 2015/16**

---

**SUMMARY REPORT**

**Purpose of the Report**

1. To present the external audit Annual Grants Certification Report on the results of their grants testing.

**Information and Analysis**

2. Attached is a copy of the report produced by Ernst & Young (EY) that summarises the high level results of their grants certification testing.
3. A representative from EY will attend the meeting to present the report.
4. From 1 April 2015, the duty to make arrangements for the certification of relevant claims and returns was delegated to Public Sector Audit Appointments Limited (PSAA). For 2015/16, these arrangements required only the certification of the housing benefits subsidy claim.
5. The external audit work identified that the claim certified, worth a net total of £39,010,077, required an amendment for War Widows pensions that increased the claim to £39,050,953. No other amendments or qualifications were identified and the certified claim form was submitted to the DWP by the deadline of 30 November 2016.
6. The Council also engaged EY to audit 2 claims that fall outside of the PSAA arrangements but never the less require certification. The 2 claims in question were the Teachers' Pension and the Housing Pooling return.
7. EY did not identify any significant issues that required being brought to the attention of Members from either of these claims.

**Recommendation**

8. It is recommended that the Committee note the contents of the report.

**Reason**

9. The recommendation is supported as it comprises part of the Council's corporate governance arrangements.

Director of Neighbourhood Services and Resources**
