## MAIN REPORT

### Information and Analysis

5. Cabinet at its meeting on 14th May, 2002 considered a report on the outcome of cases referred to the Ombudsman during the Municipal Year 2001/02 and resolved that at each meeting of Cabinet a similar report should be submitted on the outcome of one case since the previous meeting of Cabinet. Since the meeting on 9 September 2008 one case has been the subject of decision by the Ombudsman.
6. The outcome of cases on which the Ombudsman reached a view in the current reporting period is as follows :-

<b>Finding</b>	<b>No. of Cases</b>
Maladministration causing injustice (MI)	
No Maladministration (NM)	
Ombudsman's Discretion (OD)	
Outside Jurisdiction (OJ)	
Local Settlement (LS)	
No or Insufficient Evidence of Maladministration (NIEM)	
Premature Complaint (PC)	1

#### *Outside Jurisdiction*

7. A matter under this heading is one where the Ombudsman for one of a number of technical reasons is not empowered to take action, e.g. there is a remedy through a normal Court of Law or the matter relates to an employment issue.

#### *Premature Complaint*

8. This heading covers matters where the Local Authority has not had the opportunity to deal with a complaint through its own Internal Complaints Procedures; the Ombudsman will normally wait for that procedure to be carried out before she considers investigating the matter herself.

#### *No or Insufficient Evidence of Maladministration*

9. This heading is self-explanatory. The Ombudsman will have carried out preliminary investigations but concluded that there is no or insufficient evidence of maladministration and no further action will be taken.

#### *Ombudsman Discretion*

10. This heading covers those cases where the Ombudsman decides not to investigate the case further for any other reason and exercises her discretion to close the file.

### ***Local Settlement***

11. This heading relates to cases where the Ombudsman after investigation suggests that the complaint might be resolved locally without a formal report being made and suggests how the matter might be drawn to a conclusion.

### **Analysis of Findings**

12. The opportunity is normally taken to analyse the areas of the Council's functions where complaints have arisen. It seems appropriate to do that in order to establish whether there is any pattern to complaints received or whether there is a particular Directorate affected or a type of complaint which is prevalent. If there were a significant number of cases in any one particular area, that might indicate a problem which the Council would seek to address.
13. There is one case of Premature Complaint which relates to a matter concerning trees overhanging from private land, across the Council's land onto the complainant's land. The Council has agreed to help resolve the issues through negotiation with the private land owner but there is little the Council can do as it does not own the trees.
14. There are no issues arising from these complaints which suggest that there is a problem that the Council will need to address.

### **Outcome of Consultation**

15. The issues contained within this report do not require formal consultation.
