

## Schedule 4

### Scheme of Delegation to Officers – General Principles

1. Darlington Borough Council has functions given to it by statute. Certain functions rest with the authority as a whole. These powers can be delegated to Officers under s101 Local Government and Housing Act 1989. Other functions, called Executive Functions rest with the Council's Cabinet and can be delegated by the Cabinet to Officers under s15 Local Government Act 2000. Within this scheme, functions delegated are marked either Cabinet or Council to indicate the origin of the delegation. Statutory functions delegated by statute directly to officers are marked as statutory.
2. The Chief Executive and Directors are authorised to act on behalf of the Council in relation to any matters within the service area for which they are responsible, subject to the following overriding provision :-
  - (a) Any action by the Chief Executive or Directors under delegated powers shall be in accordance with :-
    - (i) Any statutory restrictions
    - (ii) The budget and policy framework set by Council, and other Council policies
    - (iii) Any financial limits set out in the revenue or capital budgets and Financial, Contract and Property Procedure Rules
    - (iv) The Codes of Member and Officer Conduct, and
    - (v) Any provision contained in this Constitution.
3. Any delegation does not include:
  - (a) Any matter reserved to full Council
  - (b) Any matter which by law may not be delegated to an Officer
4. Officers must keep Members properly informed of actions taken within the scope of these delegations in accordance with the Member/Officer protocol, as detailed within Part 4 of this Constitution.
5. In exercising delegated powers, Officers shall have regard to any report by the Head of Paid Service, the Monitoring Officer or the Chief Finance Officer under their statutory obligations.
6. A delegation to a Chief Officer includes authority for any officer within his directorate to carry out the delegation of the function on behalf of the Chief Officer. Officers shall devolve responsibilities for service delivery and management to those staff who represent the nearest practicable point of delivery to the service user.

7. Without prejudice to these delegations the Chief Executive and Directors are expected in appropriate cases to :-
- (a) maintain a close liaison with the appropriate Cabinet Member (or in their absence the Leader or another Cabinet Member);
  - (b) ensure that the Ward Councillor(s) is consulted on or advised of the exercise of delegated powers;
  - (c) ensure that the Chief Executive, Director of Corporate Services and Borough Solicitor are consulted and advised of any decisions as necessary.

NB Before exercising any delegated power the Chief Executive and Directors must consider whether the decision to be made is of such a nature that it ought to be referred for decision to Members.

8. Relevant powers conferred upon the Chief Executive and Directors, which they authorise another officer to exercise, will be contained in a register to be maintained by the Borough Solicitor in his / her role as Monitoring Officer, to be available for public inspection and to be reviewed by the Chief Executive, Directors and Borough Solicitor at least annually.
9. The Cabinet Member responsible following consultation with the relevant Director/Chief Executive may at any time require a particular issue or any aspect of delegated powers to be referred to Cabinet for its decision.
10. Delegated decisions shall not involve the adoption of a new policy or a major extension of an existing policy of the Council and shall exclude any case where the magnitude or controversial nature of a proposal is such that the Council or Cabinet should take responsibility for a decision.
11. These delegations should be interpreted widely to aid the smooth running of the organisation, the effective deployment of resources and the efficient delivery of services.
12. Those decisions to be formally recorded are included within the delegated powers on the following pages.

NB Certain powers and duties are delegated by statute to individual post holders. These posts are known as Statutory Chief Officers. These powers cannot be withdrawn by Council or Cabinet, however the exercise of the powers must be in accordance with the Council's budget, policy framework and its Procedure Rules, in particular those relating to finance and contracting, and all other rules relating to the exercise of the powers set out in the Constitution and elsewhere.
