### PA73 55 NEASHAM ROAD, DARLINGTON

**20/00963/FUL** – Change of use from off-licence (Use Class E) to a hot food takeaway (Sui Generis) with installation of extraction equipment including external flue to north elevation.

(In making its decision, the Committee took into consideration the Planning Officer's report (previously circulated), the advice of Darlington Association on

Disability, four letters of objection received from residents, the views of the Ward Councillor, whom the Committee heard, and the responses to questions asked by Members of the Applicant's Agent, who was in attendance at the meeting).

**RESOLVED** – That Planning Permission be granted subject to the following conditions:

1. A3 Implementation Limit (Three Years)
2. The use hereby approved shall not operate outside the hours 11:00 – 21:00 Monday to Sunday including Bank Holidays only unless otherwise agreed in writing by the Local Planning Authority.

**REASON:** In the interests of residential amenity.

3. No noise emitting fans, louvres, ducts, or other external plant associated with this permission shall be installed until a scheme to reduce noise and vibration has been submitted and approved by the Local Planning Authority.

**REASON:** In the interests of residential amenity.

4. Prior to the installation of any air extraction equipment (including the external flue) exact details of the proposed installation including the manufacturers specified noise levels of the extraction system shall be submitted to and approved by the Local Planning Authority. The noise levels of the proposed extraction system shall meet the noise limits in the njd noise assessment dated October 2020 submitted in support of the application. The agreed extraction system shall be retained and maintained thereafter for the duration of the development.

No modifications to the approved scheme shall be undertaken without the prior approval of the Local Planning authority.

**REASON:** In the interests of residential amenity.

5. Prior to the hot food takeaway hereby permitted first being brought into use, details of fume extraction, including a full technical specification by a suitably qualified person, shall be submitted to, and agreed in writing to the Local Planning Authority. The scheme should specify the position of ventilation, fume, or flue outlet points; the type of filtration or fume treatment to be installed. The proposed fume extraction system shall meet the recommendations in the njd odour assessment dated October 2020, submitted in support of this application. The agreed fume extraction system shall be retained and maintained thereafter for the duration of the development.
