- The BCF end of year reports are categorised as 'Management Information' and data from them will be published in an aggregated form on the NHSE website. Narrative sections of the reports will not be published. However as with all information collected and stored by public bodies, all BCF information including any narrative is subject to Freedom of Information requests.
- At a local level it is for the HWB to decide what information it needs to publish as part of wider local government reporting and transparency requirements. Until BCF information is published, recipients of BCF reporting information (including recipients who access any information placed on the BCE) are prohibited from making this information available on any public domain or providing this information for the purposes of journalism or research without prior consent from the HWB (where it concerns a single HWB) or the BCF national partners for the aggregated information.
- All information, including that provided on local authority fee rates, will be supplied to BCF partners to inform policy development.
- This template is password protected to ensure data integrity and accurate aggregation of collected information. A resubmission may be required if this is breached.
