MAIN REPORT

Information and Analysis

11. Our aim is to put people first and provide them with the best possible service. To make this aim a reality it is important people have the opportunity to tell us what they think about the services we provide. The Council's Complaints, Compliments and Comments Procedures are one way they can do this. They can tell us when we get things wrong so we can put them right. They can also tell us when we get things right, make comments about the things we do and suggest new ways of doing things.
12. We understand that sometimes it is difficult to complain and work hard to ensure an organisational culture in which complaints are seen as a positive means of engagement and an opportunity for the Council to learn and improve services. If people do need to complain we always take their concerns seriously, treat them fairly and with respect and assure them they will not receive a poorer service as a result.

19. *Adult Social Care Complaints:*
 - (a) Following a complaint regarding a care home, it was recommended the home's visiting policy was regularly reviewed during the pandemic to ensure it was consistent with Government guidance.
 - (b) Following a Local Government and Social Care Ombudsman (LGSCO) decision, the Council agreed to carry out a review of how it supports, monitors and audits recipients of direct payments. This is to ensure all current and future recipients of direct payments are adequately monitored and audited in line with statutory guidance.
 - (c) Following a complaint for Life Stages 26+, it was recommended that a Direct Payment Procedure be developed to inform Adult Social Care staff of the use and processes involved in service users having a Direct Payment, including what Direct Payments can and cannot be used for.
 - (d) Following a LGSCO decision, staff were reminded to ensure they adhere to the Council's safeguarding policy, in particular to retain complete and accurate records to demonstrate how decisions are made regarding safeguarding enquiries. Furthermore the Council decided to update existing/provide new training for staff in order to ensure social workers retain complete and accurate records to demonstrate how decisions are made, not only in relation to safeguarding enquiries but in other areas of social work practice.
 - (e) Following a complaint for Ongoing Assessment & Intervention Team (OAIT), social workers were reminded of the importance of holding Best Interests meetings to inform planning in adult social care and that this should always include an invitation to family members were identified as appropriate and with consent where possible of the cared for person.
20. *Children's Social Care Complaints:*
 - (a) Following a complaint for Children's Initial Advice Team (CIAT) at the front door, the importance of verifying information contained within assessments and verifying this with parents prior to finalisation was reinforced with social workers. The importance of including birth fathers within assessments and ensuring that all information

recorded is current and accurate as per Working Together to Safeguard Children 2018 was also reinforced with social workers.

- (b) Following a complaint for Independent Reviewing Officers, it was recommended that consideration is given to either establishing a clear signposting in procedures so that all Foster to Adopt placements are managed in line with embedded adoption processes.
- (c) Following a complaint for Looked After Through (LATC) Team, it was agreed Children's Services should ensure that attendance records for Looked After Reviews (LAR) clearly evidence attendees of the LAR meeting. It was also agreed that LAR minutes should contain information shared by a young person's advocate to ensure there is a transparent record of a young person's views, wishes and feelings captured at that point in time.
- (d) Following a complaint for Team C, it was agreed that as per the Placement and Review Regulations 2015, social workers would ensure parents/carers are consulted prior to any significant social worker actions or changes to agreed care plan actions.
- (e) Following a further complaint for Team C, it was agreed that an existing function within Liquid Logic (the Council's social care system) should be used to modify the content of CLA documentation that relates to Foster to Adopt (and Adoption Placements) to prevent the automatic insertion of information into documentation that is distributed to birth family members.

21. *Corporate Complaints:*

- (a) Following a complaint for Highway Network Management, the Council improved its knowledge of its enforcement powers set out in Section 25 of the Land Drainage Act 1991.
- (b) Following a further complaint for Income Management, it was agreed consideration would be given to developing a Customer Standards Charter which clearly gives timescales for responses to urgent and non-urgent communication from customers.
- (c) Following a complaint for People and Families Information Service, it was agreed the Council would review entitlement for children and young people who reside in Darlington but attend a school setting out of area.
