MAIN REPORT

Information and Analysis

- 5. Following the circulation of the consultation papers (**Appendix**) to schools and governors on this subject on 29 April 2021, and consultation with officers from Local Authorities across the North East and Yorkshire regions, a preferred term date model for academic years 2024-25 was drafted and consulted with schools and Governing Bodies. The detailed 2024-25 term dates are at page 5 of the consultation papers. A summary of the term dates is given below:
 - (a) 2 September 2024 25 October 2024
 - (b) 4 November 2024 20 December 2024
 - (c) 6 January 2025 21 February 2025
 - (d) 3 March 2025 11 April 2025
 - (e) 28 April 2025 23 May 2025
 - (f) 2 June 2025 18 July 2025
- 6. The tenet of the process has been to take into account:
 - (a) The 190 day academic year envelope for pupils, which allows schools to set their own professional development days for teaching staff when pupils will not attend.
 - (b) Equalisation of term lengths as far as possible and the start and end of term weeks to be Mondays and Fridays as far as possible. Starting and ending terms on days other than Mondays and Fridays has historically had an adverse impact on pupil attendance levels.

- 7. Local Authorities set the term dates for maintained schools and nurseries. There are only six schools, out of the 42 in Darlington, that are still maintained by the Local Authority. Academy and Free School funding agreements state that the setting of the duration of the school year, term and holiday dates are the responsibility of the Academy Trust. In Foundation and Voluntary Aided (VA) maintained schools, Governing Bodies are required to set term and holiday dates in conjunction with the Local Authority.
- 8. The majority of Academies and VA schools in Darlington have continued to follow the LA published dates despite having the freedom to set their own dates. The 2022 consultation exercise also requested that Academy schools send in their own arranged dates for 2024-25 for inclusion in any future publication of term dates if they chose not to express a preference for the model calendar presented.
- Consultation has been undertaken with schools (including Academies and Free Schools), Governing Bodies and neighbouring authorities. Other Local Authorities are still consulting, some have proposed the same dates as those contained in Appendix 1 for 2024-25.
- 10. Nationally, the Department for Education have recommended (and Darlington Head Teachers have agreed) that the term dates for future years will be set by Governing Bodies with Local Authorities suggesting a calendar, coordinating the consultation exercise and publishing the agreed results. Therefore, details of term dates for the 2024-25 academic year will continue to be published on the Darlington Council website and elsewhere from September 2022.

Consultation

- 11. Officers have consulted with 42 schools in Darlington as well as with their relevant Governing Bodies. 25 responses from Governing Bodies and Headteachers were received as follows:-
 - (a) All schools/governing bodies that responded expressed their preference for the dates in the model calendar;
 - (b) No alternative proposals were received
