**CHILDCARE SUFFICIENCY TASK AND FINISH REVIEW – FINAL REPORT**

---

**SUMMARY REPORT**

**Purpose of the Report**

1. To provide an update of the Childcare Sufficiency Task and Finish Group, established by this Scrutiny Committee to gain a better understanding of childcare sufficiency and the general supply within the borough and the barriers to the provision of childcare provisions.

**Summary**

2. At a meeting of the Children and Young People Scrutiny Committee held on 21 February 2022, Members received a report on the Childcare Sufficiency Assessment 2021/22 and discussed areas of the borough where they felt that sufficiency was not meeting demand. It was therefore requested that further information be brought to Members on demographical/community data.
3. At the Scrutiny meeting held on 27 June 2022, following further information provided by the Assistant Director, Education and Inclusion, Members agreed to undertake a piece of work around this via Task and Finish Review Group.
4. A meeting of the Task and Finish Group was held on 26 September 2022 and a note of the meeting and discussion is attached (**Appendix 1**).

**Findings**

5. Members recognised that there are no immediate concerns around overall sufficiency in the borough and that sufficiency issues were not solely in the gift of the Council to solve but recognised that the Childcare Act 2006 does place a statutory duty on Council's 'to secure, as far as is reasonably practicable, sufficient childcare to meet the requirements of parents in their area'.
6. The provisions of the Act recognise that it may not be practical for a local authority to secure childcare to meet the requirements of every parent.

7. The Act also allows local authorities to provide support to childcare providers (including financial support) or to provide childcare itself, if no other provider is willing to do so (section 8, Childcare Act 2006).
8. Members felt that the Council was doing everything reasonably practicable to provide childcare for a number of families around the borough who required it.
9. The discussions which took place at the Task and Finish Review Group are summarised at **Appendix 1**.

### **Conclusion**

10. The Review Group considered that one area where the Council could provide assistance was in communicating the availability of jobs in the childcare sector and recommended that this Council include this communication of jobs in Events Planning, Jobs Initiatives, Publications and Digital communication.
11. Members also requested that Cabinet make our local Members of Parliament aware of the concerns highlighted with regard to provision of sufficient childcare to meet the needs of our families.

### **Recommendation**

12. It is recommended that the Children and Young People Scrutiny Committee considers and approves the findings and recommendations of the Task and Finish Review Group.
