## Risk Summary

Where possible audit testing is linked directly to risks on the risk register, below is a summary of current assurance levels based on work completed to date.

ID	Risk	Assurance
SR1	Implementation of recommendations from the Capital Process Review is needed to improve effective capital project management	
SR10	Planning Performance at risk of Standards Authority intervention	100%
SR11	VAT partial exemption breech due to exempt VAT being close to the 5% limit	
SR12	Fraud in general	100%
SR13	Instability within financial markets adversely impacts on finance costs and investments	100%
SR14	Financial pressures to the General Fund as a result of increased levels of unemployment and increased Council Tax Support claims	
SR15	Inability to cope with significant increase in homelessness cases following the impact of COVID.	100%
SR16	Inability to contain placement costs for children looked after due to lack of sufficient in house placements	100%
SR17	Inability to recruit and retain sufficient qualified suitably experienced social workers in Children's Services impacts on cost and quality of service	100%
SR18	Inability to recruit and retain sufficient qualified suitably experienced social workers and reablement staff in Adult Services impacts on cost and quality of service	100%
SR19	Failure to identify vulnerable schools and broker appropriate support to address needs	100%
SR20	Increased demand for Adult Services impacts negatively on plans for budget efficiencies	100%
SR21	Increased demand for Children's Services impacts negatively on budget	100%
SR22	Market (Domiciliary Care Residential Care providers) failure following the Care Act/Living Wage	68%
SR23	Market (Domiciliary Care Residential Care providers) for Vulnerable Families with Children (including SEND) experiences provider failure	100%
SR25	The Deprivation of Liberty Safeguards Threshold changes significantly increases the amount of people deprived of their liberty resulting in potential for increased legal challenge	64%
SR26	Failure to respond appropriately to safeguard vulnerable adults, in line with national legislation and safeguarding adults procedures	100%
SR27	Failure to respond appropriately to safeguard vulnerable children, in line with national legislation and safeguarding children, thresholds and procedures.	100%
SR28	Working with other local commissioners to ensure their understanding of their responsibilities within the Childhood pathway.	100%
SR29	Risk of unsuccessful mobilisation of new service - Support, Recovery and Treatment In Darlington through Empowerment (STRIDE).	100%
SR3	Business Continuity Plans not in place or tested for key critical services	93%
SR33	Impact of national cost of living crisis on customers and audiences for Leisure and Cultural facilities	
SR34	Budget & resource implications arising from the ability to progress and complete schemes/projects in the event of further construction inflation, material supply and resource demands	100%
SR35	Potential impact on public transport networks if commercial services do not recover or continue to receive support from Government and routes are withdrawn	100%
SR36	Failure to meet the Council's commitment to becoming Carbon neutral by 2050	
SR37	Failure to operate an effective Channel Panel	
SR38	Reputational and regulatory risk if reinspection not successful	
SR39	The Council is unable to deliver housing targets detailed in the Local Plan as a result of the designation of nutrient neutrality catchment area	
SR40	Managing the impact of severe weather events	
SR41	Staffing risk – failure to recruit to vacant posts	
SR42	Risk of enforcement action from the ICO	62%
SR43	Risk of new dangerous variant or a significant wave of COVID-19 impact on the Council's ability to provide services as a result of a new dangerous variant or a significant wave of COVID-19 or the activation of UKHSA Contingency plan	
SR44	April 2023 will see the implementation of the CQC inspection framework for Adult Social Care. Due to the significant demands on adult social care, the pressures following covid, and the workforce recruitment and retention crisis will impact on the ratings- resulting in an "requiring improvement" outcome.	
SR7	Financial implications of Maintaining and conserving key capital assets within the borough	75%
SR8	Investment in regeneration projects is not delivered	100%
