MAIN REPORT

Information and Analysis

7. The Council is required to adhere to The Localism Act 2011 and the duty to agree a written Pay Policy on an annual basis.
8. The Pay Policy sets out the ratio of the highest paid employees against the workforce median earnings and principles associated with the payments and remuneration packages of Chief Officers both during and on termination of employment.
9. Any decisions relating to the pay and remuneration of Chief Officers must comply with the Pay Policy Statement in place at the time for that financial year and whilst the Statement can be amended in year as required, any changes must be subject to the approval of full Council. Failure to do so would be contrary to the Council's Statutory Duty under the Localism Act and would result in legal action being taken against the Council.
10. Supplementary guidance to The Localism Act - Local Government Transparency Code 2014 dated October 2014, issued by Department of Communities and Local Government, sets out the requirements for calculating the pay multiple and further publication of senior salaries which the Council has implemented.

Pay Multiple

11. The Council's Pay Multiple is based on highest paid taxable earnings and median taxable earnings for the whole authority (excluding casuals, apprentices and community schools) is:

	Highest paid Employee based on taxable earnings	Workforce Median Taxable earnings	Median taxable earnings Pay Multiple
Taxable Earnings Pay Multiple 2022/2023 ¹	£12,763.33	£2,243.75	5.7

¹ – Based on figures 31st December 2022

12. The December 2022 multiple was 5.7, a reduction of 0.7 on the pay multiple reported in December 2021 (6.40).
13. This reduction is largely associated with the fact that there have been 2 pay awards since the last pay policy statement (the 2021/22 award was not seen in payslips until March 2022), the pay ratio for the whole year 2021/22 was 6.19, which included the April 2021 award.
14. The Council aims to ensure that the pay multiple does not exceed 10. This is a Tees Valley wide agreement which was agreed in 2013.

15. The 2014 Code stipulates that the Pay Multiple will be calculated each year on a fixed date coinciding with reporting at the end of the financial year. Locally the Pay multiple is calculated each December for the approval of the Pay Policy by Council to allow publication and approval before 31 March each year. Arrangements will also be made to update the Pay Multiple with year-end figures in April which will be published on the Council's internet pages alongside other Transparency Code information requirements.

Senior Salaries

16. The Code requires that the Council publishes Senior Officers Salaries exceeding £50,000. There is also a requirement to publish the services, functions, the budget held, and the number of employees' senior officers are responsible for. This information is available on the internet with other Transparency requirements.

Revisions to the Pay Policy Statement

17. Revisions to the proposed Pay Policy Statement for 2023/2024, are summarised as follows:
 - (a) *Update and reference to National Living Wage rates (Appendix A – paragraph 7a and 24)*
 - (b) *Update to post grade, was stated as AD3 in 2022/23 when should have been AD2 (Appendix A – paragraph 8)*
 - (c) *Removal of Soulbury pay for AD Education and Inclusion, now AD1 (Appendix A – paragraph 8)*
