3. The Annual Report summarises and reflects on the work of the Partnership over the period 2021/22, drawing upon a range of data and information, to outline the progress made and to illustrate the effectiveness of multi-agency safeguarding partnership arrangements across Darlington.
4. The Covid-19 Pandemic continued to pose a significant challenge throughout the year ensuring children, young people and vulnerable adults were safeguarded and the fact that anyone can be at risk of harm as it was recognised abuse and neglect can be increased by a whole range of factors such as mental health, poverty, domestic abuse as well as loneliness and isolation.
5. The report will provide the Health and Wellbeing Board with an understanding of the Partnership's work to date to generate some discussion on the issues/common interests that may cut across both Strategic Partnerships.

Recommendation

6. It is recommended that the Health and Wellbeing Board note and comment on the DSP Annual Report for 2021/22.

Reasons

7. The recommendations are supported by the following reasons :-

- (a) Safeguarding is a responsibility that runs through a number of Strategic Boards/Partnerships and there are often areas of common interest.
