MAIN REPORT

Information and Analysis

6. The format of the proposed work programme has been reviewed to enable Members of this Scrutiny Committee to provide a rigorous and informed challenge to the areas for discussion.
7. The Council Plan was adopted on 18th July 2024, and outlines Darlington Borough Council's long-term ambitions for Darlington and priorities for action over the next three years. It gives strategic direction to the Council and Council services, defining priorities, identifying key actions, and shaping delivery.
8. The Council Plan identifies six priorities, one of which is 'Living Well', which states that more years in good health leads to more fulfilling lives, and a better standard of living, however the Plan highlights that are inequalities in Darlington across all stages of life which are influenced by broader social factors including education, employment, housing and income. Seven key deliverables are identified as part of this priority.
9. The Council believes that all residents should have the opportunity to live longer, healthier lives, and wants to support residents of every age to live well. The Council has committed to improving our contact with carers and working to create a network of support for better health and wellbeing outcomes. The Council will support those who need it most and signpost for access to other provision and support, where appropriate.

Forward Plan and Additional Items

10. Once the Work Programme has been agreed by this Scrutiny Committee, any Member seeking to add a new item to the work programme will need to complete a Quad of Aims.
11. A copy of the index of the Forward Plan has been attached at **Appendix 3** for information.
