 - (b) Where changes are made, consider what transitional protection, if any, should apply to anyone affected by those changes.
4. This report sets out the details of the CTS scheme for 2025-26. No significant changes are proposed to the existing scheme.

Recommendation

5. It is recommended that members consider the draft CTS scheme for 2025-26 at **Appendix 1** and agree its onward submission to Cabinet.

MAIN REPORT

Information and Analysis

6. Since 2013, the previous national Council Tax Benefit scheme was replaced with local CTS schemes, designed and administered by local authorities. Grants are paid to local authorities to fund CTS, but the overall amount does not fully meet actual expenditure levels.
7. The Council is required to design and publish a new CTS scheme each year, in time to implement for annual Council Tax billing. A full public consultation exercise and an equality impact assessment were undertaken on the initial scheme in 2013.
8. Each year, the Council must consider whether any changes should be made to the existing scheme and, where changes are made, consider what transitional protection, if any, should apply to anyone affected by those changes.
9. Each year's scheme then must be approved by full Council.
10. The key feature of Darlington's CTS scheme is that working aged people can only receive a maximum of 80% support towards their Council Tax. From April 2023, care leavers under the age of 25 were made exempt from Council Tax, under our discretionary powers. Therefore, they are unaffected by the CTS scheme. Pensioners are protected under a national set of regulations.
11. No other changes are recommended for the 2025-26 CTS scheme however, Members should note the following:
 - (a) The applicable amounts in Table 1 and non-dependant deductions in Table 2 are those amounts currently applied to the 2024-25 CTS scheme and will be updated for 2025-26. The updated amounts will be calculated with reference to the amended Prescribed Requirement regulations. These regulations will be published in January 2025 and the CTS scheme for 2025-26 will therefore be amended before publication.
 - (b) Any other changes to the Prescribed Requirements regulations 2025 will also be incorporated into the CTS scheme for 2025-26 before publication. These changes are for reference only and do not represent a change to the local CTS scheme.

Financial Implications

12. The recommendation in paragraph 5 will not have any significant financial implications and therefore it is not intended to amend the budget in the MTFP.
