MAIN REPORT

Information and Analysis

5. The format of the work programme has been reviewed to enable Members of this Scrutiny Committee to provide a rigorous and informed challenge to the areas for discussion.

6. The Council Plan was adopted on 18 July 2024, and outlines Darlington Borough Council's long-term ambitions for Darlington and priorities for action over the next three years. It gives strategic direction to the Council and Council services, defining priorities, identifying key actions, and shaping delivery.

7. The Council Plan identifies six priorities, including 'Homes', which states that good housing should be affordable, safe, secure and of decent quality and that good housing is important for the health and wellbeing of residents and communities, it revitalises communities and encourages businesses to locate and create jobs; and 'Living Well', which states that more years in good health leads to more fulfilling lives, and a better standard of living, however the Plan highlights that are inequalities in Darlington across all stages of life which are influenced by broader social factors including education, employment, housing and income. These priorities are supported by eight and seven key deliverables respectively.

Forward Plan and Additional Items

8. Once the Work Programme has been agreed by this Scrutiny Committee, any Member seeking to add a new item to the work programme will need to complete a quad of aims.

9. A copy of the Forward Plan has been attached at **Appendix 3** for information.

Climate Considerations

10. Tackling climate change is a shared responsibility. Climate change as a stand-alone issue sits within the remit of the Economy and Resources Scrutiny Committee, however everything the Council does either has an impact on, or is impacted by, climate change so it is important that all Scrutiny Committees ensure that everything that comes before them has considered this. The Council Plan now includes climate change as a key principle underpinning everything the Council does.

11. The Sustainability and Climate Change Lead Officer has provided questions for Members of this Committee to consider when scrutinising reports. These questions will also form part of any submitted quad of aims. A copy of the questions has been attached at **Appendix 4**.
