MAIN REPORT

6. The Accounts and Audit Regulations 2015 require that the responsible financial officer, by no later than the 31 May, signs and certifies that the SoA presents a true and fair view of the financial position of the Council for the year to 31 March previous, subject to the views of the External Auditor, Ernst & Young (EY).
 7. The Regulations then require that on or before 31 July, approval needs to be given to the SoA by resolution of a committee, which for Darlington is the Audit Committee. This approval will take into account the views of the External Auditor.
 8. The Final Accounts timetable (**Appendix 1**) is a tool for the effective management and monitoring of the process of closing the Council's accounts.
 9. The timetable is compiled annually by Finance with input from services to ensure that deadlines are achievable and will lead to completion of a SoA for signing by the Section 151 Officer (the responsible financial officer) by the statutory deadline. New and amended processes are considered for the impact on the achievement of dates, as well as reference to the previous year's problems and meeting of deadlines.
 10. The Finance Manager closely monitors the achievement of the dates in the timetable throughout the final accounts period, following up delays and missed deadlines. This helps to ensure that the overall timetable will be achieved and to identify improvements that can be made to the process.
