Where are we performing well?

5. 98.2% of referrals are screened and completed within 1 day, above target of 90%.
6. 17.4% of re-referrals were repeated within 12 months, better than target of 18%.
7. 95.4% of Initial Child Protection Conferences (ICPC) were held within 15 working days from the Strategy meeting being held/Section 47 being initiated.
8. 100% of children with a Child Protection Plan and 100% of Children Looked After have an allocated social worker.
9. 92.1% who had a dental health assessment due, received their assessment within the required timescale.
10. 25% of Care Leavers were not in employment, education or training (NEET).

Where do we need to improve?

11. Timeliness of assessments is below the target of 90%, reasons for this are analysed and monitored by the Head of Service.
12. 95.7% statutory child protection visits were completed within 15 working days, with 79.4% completed within 10 working days. Performance against this indicator will therefore continue to be closely managed.
