ITEM NO.

COUNCIL TAX SUPPORT – SCHEME APPROVAL 2020-21

**Responsible Cabinet Member - Councillor Charles Johnson,
Efficiency and Resources Portfolio**

Responsible Director – Paul Wildsmith, Managing Director

SUMMARY REPORT

Purpose of the Report

1. To approve the Council Tax Support (CTS) scheme for 2020-21.

Summary

2. On 22 November 2018, Council approved the local CTS scheme for 2019-20 and the scheme became operational on 1 April 2019.
3. Councils are required to set a CTS scheme each year and as part of that exercise:
 - (a) Consider whether any changes should be made to the existing scheme, and
 - (b) Where changes are made, consider what transitional protection, if any, should apply to anyone affected by those changes.
4. This report sets out the details of the CTS scheme for 2020-21. No changes are proposed to the existing scheme.
5. This report was submitted to the Efficiency and Resources Scrutiny Committee on 31 October 2019. It was noted that no changes were recommended to the 2020-21 CTS Scheme.
6. This report was considered by Cabinet on 5 November 2019, who agreed its onward submission for consideration by Council.

Recommendation

7. It is recommended that Council:-
 - (a) Consider the contents of this report.
 - (b) Approve the CTS scheme for 2020-21 at **Appendix 1** which is to:-

- (i) Continue providing up to 100% CTS for care leavers under the age of 25, and
- (ii) Continue providing up to 80% CTS for all other working people.

Reasons

8. The recommendations are supported by the following reasons:-

- (a) The Council is required to publish a local CTS scheme for 2020-21 by 11 March 2020.
- (b) The CTS schemes since 2013 have all been implemented successfully without any major challenges.
- (c) The continued application of a reduced entitlement for working aged people is still appropriate, given the current financial position of the Council.

MAIN REPORT

Information and Analysis

9. Since 2013, the previous national Council Tax Benefit scheme was replaced with local CTS schemes, designed and administered by local authorities. Grants are paid to local authorities to fund CTS, but the overall amount does not fully meet actual expenditure levels.
10. The Council is required to design and publish a new CTS scheme each year, in time to implement for annual Council Tax billing. A full public consultation exercise and an equality impact assessment were undertaken on the initial scheme in 2013.
11. Each year, the Council has to consider whether any changes should be made to the existing scheme and, where changes are made, consider what transitional protection, if any, should apply to anyone affected by those changes.
12. Each year's scheme then must be approved by full Council.
13. The key feature of Darlington's CTS scheme is that most working aged people can only receive a maximum of 80% support towards their Council Tax. Young care leavers can receive up to 100% support (introduced in April 2018) and pensioners are also protected under a national set of regulations.
14. No changes are recommended for the 2020-21 CTS scheme.

Financial Implications

15. The recommendations in paragraph 5 will not have any significant financial implications and therefore it is not intended to amend the budget in the MTFP.
