Summary

2. The revised Prudential Code for Capital Finance in Local Authorities 2017 requires every Council to publish a Capital Strategy and review on an annual basis. The Strategy is an evolving document which will grow over time, this year the Capital Programme at **Appendix 2** has been added for approval.
3. The Strategy provides an overview of how capital expenditure and financing plans are decided upon and provides the framework for the development, management and monitoring of the council capital investment plans. It focuses on core principles that underpin the Council's four-year capital programme and the governance framework which is in place.
4. The Strategy also highlights the resource streams available in terms of funding to the Council and the risk management approach taken.
5. The Strategy maintains a strong and current link to the Council's priorities and to its key strategy documents such as the Treasury Management Strategy, Medium Term Financial Plan and the Corporate Plan.
